Dear Sir/Madam,

**RE: INVITATION TO 14TH EGERTON UNIVERSITY INTERNATIONAL
CONFERENCE**

Egerton University will hold its Biennial International Conference on the 23rd, 24th and 25th March, 2022. This will be the 14th edition of the International Conference organized by the University and brings together various stakeholders in, academia, research institutions and industry experts in various fields to a common forum.

The Conference is organized and hosted by the Division of Research and Extension. This conference has attracted up to 700 participants in the past events. This 2022 conference will be blended (virtual and face to face sessions) conference due to the Covid 19 pandemic. The theme of the conference is "Research and Innovations for Resilience in a Changing Environment". In highly volatile and uncertain times, organizations need to be resilient to cope effectively with unexpected events, recover from crises and foster future success. Underlying this theme is the acknowledgment that Science, Technology and Innovations are the drivers and enablers of social and economic transformation. The application of knowledge and innovation is necessary to attain sustainable economic growth and competitiveness.

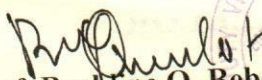

The aim of the conference is to provide a platform for participants to share their experiences and research findings, deliberate and exchange innovative cutting-edge development ideas, concepts and actions. This will include keynote speakers, paper presentations, interactive panel discussions, question and answer sessions and exhibitions.

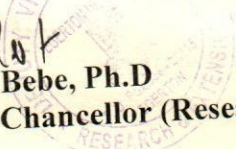

"Transforming Lives through Quality Education"

To this end, Egerton University cordially invites your organization to the conference. For more information please contact the Deputy Vice-Chancellor (Research and Extension) on Telephone Nos. +254708489256 or +254775015388 or email: dvcre@egerton.ac.ke.
