

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY
VICE CHANCELLOR'S ROUND UP FOR THE WEEK ENDING,
FRIDAY, 13TH MAY 2022.

- Masinde Muliro University of Science and Technology hosted a PhD student from the University of Rwanda (UR), courtesy of UR-College of Education's World Bank funded African Centre of Excellence for Innovative Teaching and Learning Mathematics and Science (ACEITLMS). The student, Ms. Manishimwe Henriette, who is a specialist in Biology Education, is visiting the University for a two-week visit. The visit began on 2nd to 16th May, 2022. Ms. Manishimwe was received by MMUST's Professor of Aquatic Ecology, Prof. William Shivoga, Director of International Relations and Academic Linkages (DIAL), Dr. Catherine Aurah, Dr. Humphrey Agevi and the Chairperson, Department of Biological Sciences, Dr. Philip Ogutu.
- Masinde Muliro University of Science and Technology, through the School of Engineering and Built Environment (SEBE) undertook an eight (8) weeks intensive practical workshop for its second year students in a bid to strengthen their practical skills. The workshop, which began on 9th May, 2022, was organized by the Dean SEBE, Prof. Bernadette Sabuni. This has been made possible through the various facilities including the Civil engineering department laboratories, Electrical as well as the Mechanical engineering laboratories.
- Masinde Muliro University of Science and Technology's Disability Mainstreaming Committee (DMC), has stepped up efforts to champion the inclusion of People with Disabilities (PWDs) in service delivery. This was during the informative training held today, 12th May, 2022 at the Golf Hotel in Kakamega County. The workshop was graced by the Deputy Vice Chancellor, Planning Research and Innovation, Prof. Charles Mutai, who acknowledged the relevance of the DMC training in inclusion of PWDs.

I wish you blessed weekend!

f Prof. Solomon Shibairo
Vice Chancellor
