

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY

VICE CHANCELLORS ROUND UP FOR THE WEEK ENDING, FRIDAY, 19TH NOVEMBER, 2021

- Masinde Muliro University of Science and Technology (MMUST) was the proud host of the STEM Education International Conference 2021 (STEMEIC2021). The conference kicked off on Wednesday, 17th November 2021 and went up to Friday, 19th November, 2021. The theme of the conference is ***“STEM Education and Innovation in Africa and beyond during and post COVID-19: Ensuring Quality, Equity and Inclusivity”***. The conference drew participants from across the world including Kenya, South Africa, Nigeria, Germany, USA and Russia. MMUST's scholars showcased expertise in STEM education and related fields.
- A team of researchers from Brandenburg University of Applied Sciences (BUAS) -Germany led by Prof. Dr. Dietmar Wikarski, Ms. Martina Rief and the Chief Executive Officer (CEO) AgroKenya Mr. Suleiman Kweyu yesterday, November 18, 2021, paid a courtesy call to the MMUST Vice Chancellor Prof. Solomon Shibairo. The visit was aimed at discussing the past and future projects in the partnership. The partnership which began with the School of Agriculture, Veterinary Sciences and Technology (SAVET) has today expanded to five (5) more schools namely; School of Natural Sciences (SONAS), School of Public Health, Biomedical Sciences and Technology, School of Engineering and Built Environment (SEBE), School of Education (SEDU).
- On Friday, 19th November, 2021, the Vice Chancellor Prof. Solomon Shibairo hosted the Principal Secretary, ICT and innovation, Mr. Jerome Ochieng at MMUST. The PS officially launched the MMUST Ajira Club which is a digital space for training youths in online jobs and digital marketing skills.

I wish you a blessed weekend!

Prof. Solomon Shibairo

Vice Chancellor
