

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY

VICE CHANCELLOR'S ROUND UP FOR THE WEEK ENDING

FRIDAY, 4TH FEBRUARY 2022

- Masinde Muliro University of Science and Technology (MMUST), on 1st February 2022, held a strategic meeting with officials from the Higher Education Partners (HEP) in a bid to formalize an agreement towards intensifying online learning at MMUST. The joint meeting chaired by the Vice Chancellor, comes after several meetings that began in October 2021 in preparation for a strategic partnership between MMUST and Higher Education Partners.
- African Women in Science and Engineering (AWSE), MMUST- Western Chapter, yesterday 3rd February, 2022 disseminated their findings on a University-community led response to Adolescent Sexual and Reproductive Health (ASRH) crisis in the wake of COVID-19 pandemic.

This is one of the thirty-three (33) research projects that the University funded through the Directorate of Research and Postgraduate Support last year when the pandemic was at its peak. The team, led by Dr. Seline Ooko, found out that Knowledge, socio-economic, cultural factors and access to health services has an impact on ASRH behaviour.

I wish you a blessed weekend ahead!
