

## Dr. Everlyne Nyanchera Morema

### PROFILE

I am a passionate and dedicated lecturer in Research, Community Health Nursing, and Health Promotion. My research interests are in the areas of Reproductive, Maternal Neonatal Child and Adolescent Health (RMNCAH) and Health systems strengthening. I hold a Doctorate degree in Public Health with specialization in Health systems and Services management. My most recent research project was on building intellectual capital for preconception care in health facilities in Kisumu County of Kenya.
