2. Personal Statement / Research Interests

Am an accomplished academic and seasoned leader with a strong record of excellence in teaching, research, and institutional development. With almost 40 years of extensive experience in teaching at higher education institutions and a passion for empowering students and colleagues alike, I bring a strategic mindset and a collaborative approach to every role I have undertaken. I have contributed significantly to curriculum development, academic policy, and interdisciplinary research, while also playing a key role in mentoring emerging scholars and professionals. I have been at the forefront in driving innovation, fostering inclusive learning environments, and shaping educational systems that respond to the needs of modern society. I have always been eager to embrace new challenges, seeking opportunities globally that align with my vision for impactful scholarship, community engagement, and transformative leadership.

3. Education

Students Supervised to completion

PhD

1. **Gregory Sakwa** (Masinde Muliro University of Science and Technology, Kenya) Integrating cervical cancer awareness and screening in the community strategy in delivery of Kenya government universal health care.
Status: Graduated MMUST December 2022

2. **Grace A. Litali** (Masinde Muliro University of Science and Technology, Kenya)
Title: Exploring out of pocket expenditure protection and quality of health services in Kakamega.
Status: Graduated MMUST 2021
3. **Issah Kweyu Wabuyabo** (Masinde Muliro University of Science and Technology, Kenya)
Title: Socio-Cultural Determinants of Athletic Abilities among Kenyan Elite & Sub-Elite Middle and Long Distance Runners,
Status: Graduated MMUST December 2021
4. **Consolata Namisi Lusweti** (Masinde Muliro University of Science and Technology, Kenya)
Title: Partnership intervention model for improved maternal and child health outcomes among pregnant women living with disability in Kakamega County, Kenya.
Status Graduated MMUST 2021
5. **Roselyne Ajwang Odiango** (Masinde Muliro University of Science and Technology, Kenya)
Title: Effect of Sport Socialization Intervention Programme on Social Skill learning among Children with Intellectual disability in Kakamega county Kenya.
Status: Graduated MMUST December 2020
6. **Lucy Mutuli** (Masinde Muliro University of Science and Technology, Kenya) Title: Integrating Dietary Intake and Physical Activity as a Process of Treating Alcoholism and Reducing Relapse Amongst Alcoholics Aged 15-65 Years in Asumbi Rehabilitation Center, Kenya
Status: Graduated MMUST December 2019
7. **Jane Wairimu Mwangi:** (Kenyatta University)
Title: Physical and psycho-social benefits of parental involvement in physical activity and sports for children with intellectual disability in Nairobi County, Kenya.
Status: Graduated – Kenyatta University December 2016
8. **Edna Thangu:** (Kenyatta University)
Title: Impact of impairments on the performance of activity limitation tests for running events in athletes with physical disabilities in Kenya
Status: Graduated Kenyatta University. June 2015

MSC

9. **Purity W. Kamande** (Masinde Muliro University of Science and Technology, Kenya)
Title: Nutritional knowledge, practice and nutrition status of elite rugby players in Kenya.
Status: Graduated from MMUST December 2022

10. **Doreen Kathure Murithi:** Assessment of nutrition knowledge, attitudes and practices among middle and long-distance elite athletes in north rift - Kenya
Status: (Masinde Muliro University of Science and Technology, Kenya):
Status: Graduated from MMUST December 2022
11. **Monicah W. Mwangi** (Masinde Muliro University of Science and Technology, Kenya)
Title: Factors influencing sports participation among pupils with vision impairment attending special and inclusive schools in Kakamega County, Kenya.
Status: (Masinde Muliro University of Science and Technology, Kenya):
Graduated MMUST December 2021
12. **Jasper Situma Wekesa** (Masinde Muliro University of Science and Technology, Kenya)
Title: Assessment of Sports Policy Framework Implementation for Provision of Support Services to Persons with Disabilities in Kakamega County, Kenya,
Status: Graduating MMUST December 2020.
13. **Ednah Sabiri** (Masinde Muliro University of Science and Technology, Kenya).
Title: Determinants of participation in physical activity among school going adolescents with disabilities in Kakamega County, Kenya.
Status: Graduated MMUST December 2018
14. **Micky Olutende Oloo** (Masinde Muliro University of Science and Technology, Kenya).
Title: Exercise prescription: knowledge, attitudes and practice among healthcare professionals in Kakamega County, Kenya
Status: Graduated MMUST December 2018
15. **Robert Ndambo Ngeti** (Kenyatta University).
Title: Female teachers' participation in the management of competitive sports programmes in secondary schools in Taita-Taveta county-Kenya
Status: Graduated KU December 2017.
16. **Moseti Moraa zipporah** (Kenyatta University)
Title: Participation In Sports By Deaf Students In Special Secondary Schools For The Deaf In Kenya
Status: Graduated –Kenyatta University December 2016.
Geoffrey Kiplimo Ragor: (MMUST)
Title: Psychosocial factors influencing performance in physical and health education among students in Primary Teacher Training Colleges in Vihiga County, Kenya.
Status: Graduated - MMUST December 2016.
17. **Daniel Njenga:** (Kenyatta University)

- Title: Assessment of Special Olympics volunteer coaches self-efficacy in selected sports clubs and school based programmes in Nairobi County, Kenya
Status: Graduated– Kenyatta University June 2015
18. **Marylyn Awuor** (Kenyatta University)
Title: Analysis of strategies used in teaching Adapted Physical Education to learners with physical disability in Nyakach District, Kenya
Status: Graduated - Kenyatta University July 2014.
19. **Mukala H, Bulinda** (Kenyatta University)
Motivational factors that affect primary school pupils' participation in organized sport in Shinyalu division of Kakamega district, Kenya
Status: Graduated - Kenyatta University June 2002
