LEADERSHIP POSITIONS HELD.

I served as a student leader at Masinde Muliro University in the student governing council, representing students from the faculty of science for 2016/2017 academic year. I also served in the Library congressional committee during this regime.

Served as the vice chairperson in African Canadian continued Education Society (ACCES) students' organization Masinde Muliro University (MMUST) chapter for an academic year 2016/2017. This nongovernmental organization that support bright and needy children in the society. In return we organized ourselves to give back to the society by visiting Children Transformation Project Kenya orphanage Home located in Lurambi area, giving them the little donations that we had. We also organized for anti-jigger campaign in partnership with the main office.

I represented the students' association from Vihiga county MMUST chapter as the vice chairperson and a representative for all college and university students from Luanda township ward in the academic year 2015/2016.

I served in the student governing council in my former secondary schools-Ebusakami secondary school as the class prefect for three years from 2009 to 2011.

LANGUAGE SPOKEN AND ABILITY.

I am much eloquent in English and Kiswahili which are our National language. More so I can speak Luhya. My leadership and eloquence in speech have enabled me serve in different leadership posts

HOBBIES

I love programming especially in Php laravel MVC (Model View Controller) framework and java programming language using netbean IDE.

I like reading news and documentaries on technology in emergent software development, networking and system administration.
